VERNISSAGE 5 OTTOBRE 2019 ORE 18

THE FIRST FLOATING ART EXHIBITION ON A LUXURY YACHT

'QUEEN OF SEA' ART EXPO VENICE 2019

INTERNATIONAL CONTEMPORARY ART EXHIBITION

A unique exhibition that will see Artworks of International Artists, exhibited in all the environments of the Bert Valletta Yacht, for an exclusive class event during the most sought-after period by the Artists from all over the world, in Venice, city of water par excellence..

From the **BIG EXHIBITION** series, organized by **QUEENARTSTUDIO GALLERY**, the exhibition will contain a selection of **FREE THEME** Works, but with an eye to the marine and landscape subject, and / or bound water, a topic that includes the inevitable link with flora and fauna, and respect for the environment.

The exhibition is designed to draw public attention to the correlation between the various elements, essential for our environment and for the future of our planet. The Works will be exhibited in all the rooms of the exclusive boat from 5 to 11 October 2019 with Vernissage on 5 October at 18.00

The exhibition will be accompanied by a paper catalog and a video catalog of the works

*** BERT VALLETTA YACHT**

Bert Yacht is a Maltese yacht of 30 metres. It is happily docked at new St. Elena's dock , gardens where Venice Art Biennial Festival is kept and will close in November 2019 this year. Lo Yacht Bert è uno Yacht Maltese di 30 metri. Passwords of this exclusive and unique location in the most romantic city in the world are style, adventure but elegance above all.

The Bert is in possession of refined areas and cabins and class locations. There are 6 cabins all different from each other, which go from the ones of " crew style" with bunk beds for voyagers who want to

experience the real yacht, to King and Superior cabins with Jacuzzi tub, mini bars and big spaces for the best comfort. Bert Yacht gives you a relaxing atmosphere in an exclusive set up. It is the ideal accomodation for everybody who looks for a unique way to live Venice. It will be the prestigious QueenArtStudio Gallery's office in Venice in October 2019.

***VENICE ART BIENNAL FESTIVAL**

One of the **MOST IMPORTANT INTERNATIONAL SHOWS** of contemporary art in the world organized each two years. It is the oldest periodical exhibition institution on International level. It's of great prestige and carries out function of information and on-time update for the big world audience.

It has a very important role in enhancing new trends, in legitimising emerging artists and in definitively devoting quality artists. For most of Italian and foreign artists, to take part in a project like ours represents still today a great credit title and one of the most important chance to enter an International showcase. Please, remember that this project is inserted in International Art reality of Venice in this very important period, when it is attended by thousands of art enthusiasts, collectors, gallery owners and famous celebrities.

*QUEENARTSTUDIO GALLERY

QueenArtStudio is a well-known art gallery leader in the field of National and International and cultural events' organization. It is the location of art and cultural prestige and every year receives intellectuals and artists all over the world. The "Il Centro Espositivo Internazionale di Arte e Cultura " (International exhibition centre of art and culture) is a centre for promotion and artistic presentation and organizes collective and solo shows, cultural twinnings , art laboratories, workshops, collaborations and discussions, conferences with exposure of International works of art. The elegant art gallery is on two floors and is located in Padua's heart close to the most important monuments, to squares and to the huge passage of persons. It is the ideal location for art events, it is specialized in contemporary art shows, and is also present in the prestigious World Exhibitions. In its location, it shows a selection of International professional artists and organizes collective shows by focusing on young and foreign artists who reflect media's diversity inside contemporary visual art.

For emerging artists, this is a first step towards visibility and internationalization, a starting point for potential's development in Italian and world art service. Attention on events is given by **Mrs Maria**

Grazia Todaro who describes her permanent exhibition centre for promotion of arts and culture in this way : “ It’s not a shop, or a showcase, but a real salon for meetings and exhibitions. Centre is a springboard to further push over borders in order to support our excellent Italian art and also art of all over the world in the most important world Exhibitions” .
